EXAM PREPARATION

GASTRICS/FLUORO

BARIUM ENEMA

You will need to purchase the following items from the pharmacy:

- Two Dulcolax 5mg tablets
- One box of PICO-SALAX (contains 2 sachets)
- Anti-nausea tablets

One Day before exam: You may have breakfast as usual, then restrict yourself to clear fluids (i.e. clear fruit juice, clear tea, black coffee, jello, clear broth). You should drink plenty of fluids throughout the day.

• 8:00am

Take two 5mg Dulcolax tablets. This is a gentle laxative with delayed reaction.

• 2:00pm

Take the FIRST sachet of PICO-SALAX. Dissolve in 150 ml (5 ounces) of cold water. Stir 2-3 minutes and drink the solution. If it becomes hot, wait until it cools before you drink it. Your bowels may start to move in an hour. Take anti-nausea tablets if needed.

Drink 5-6 glasses (40-48 OUNCES) of clear fluids (especially sport energy drinks) to help flush out your bowel.

• 8:00pm

Take the SECOND sachet of PICO-SALAX. Dissolve in 150ml (5 ounces) of cold water. Stir 2-3 minutes and drink the solution. If it becomes hot, wait until it cools before you drink it. Your bowels may start to move in an hour. Anti-nausea tablets if needed.

Drink 5-6 glasses (40-48 ounces) of clear fluids (especially sport energy drinks) to help flush out your bowel.

Nothing to eat or drink after midnight until the Barium Enema is completed.

UPPER GI SERIES

Nothing to eat or drink after midnight.

SMALL BOWEL

Nothing to eat or drink after midnight.

MODIFIED BARIUM SWALLOWS

No prep.

- No underwire bra.
- No calcium supplement 24 hours prior.
- Reading Glasses if needed
- Interpreter if needed

1st Baseline BMD in Ontario

Low Risk (2nd test - 36 months)

Low Risk (3rd test - 60 months)

High Risk (once every 12 months)

PATIENT INFORMATION

1. Please bring your health card and this requisition (if given to you by the physician)
2. Stay on prescribed medications. Diabetics should discuss possible stoppage or reduction of insulin with their physicians. If instructions require fasting or "clear liquid" diet, diabetics should request early appointments.
3. Please bring an adult to supervise your children during your exam
4. Please call if you are unable to keep your appointment. (1-866-269-8384)
5. Kindly advise us of any mobility issues prior to your exam.
6. Please avoid wearing fragrances as we are a fragrance free facility.

For all tests bring a list of all your medication.

For all tests, please comply with the following points:

- wear loose clothing that buttons at the front
- if you have a pacemaker bring the card that indicates the kind
- no powder on upper body
