

INTERNAL MEDICINE OPPORTUNITIES

Full-Time/Part-Time Internist Opportunities available at
Middlesex Hospital Alliance

Strathroy Middlesex General Hospital, Strathroy, ON
Four Counties Health Services, Newbury, ON

MHA is currently seeking full-time, part-time, or locum Internal Medicine physicians to provide care to inpatients (up to 4 ICU patients and 10-15 medical patients), as well as providing consult service to our Family Practice Hospitalist teams. Our hospital offers:

- A wide range of diagnostic services, including Laboratory, MRI, CT, US, Cardiac Investigations (ECG, ECHO, Holter, Stress Testing), and Pulmonary Function Tests
- Excellent in-house specialist support including General Surgery, Orthopedics, Ophthalmology, ENT, and Plastics. Urology also available off-site. Access to tertiary level subspecialty support is available at nearby London Health Sciences Centre.
- A wide range of Allied Health Services including Respiratory Therapy, Physiotherapy, Occupational Therapy, Social Work, Dietitian, and Pharmacist
- Nurse Practitioner who can provide support for wound care and MAID assessments
- Fully staffed 24/7 Emergency Room
- A collegial and family-like environment
- Opportunities for growth in leadership roles
- Opportunity for academic appointment with the Schulich School of Medicine & Dentistry at Western University
- Opportunity to set up outpatient General Internal Medicine practice on-site

The ideal candidate will have:

- Active (or eligibility for) registration with the College of Physicians and Surgeons of Ontario (physicians requiring supervision will also be considered on a case-by-case basis)
- Certification as an Internist with the Royal College of Physicians of Canada
- Experience and comfort managing Level 2 and 3 ICU patients, including mechanical ventilation & ventilator settings, and providing pharmacologic inotropic/vasopressor support
- Experience and comfort with various procedures, including endotracheal intubation, central line placement, thoracentesis/paracentesis, electrical cardioversion/pacing
- Canadian citizenship or permanent residency
- Strong interpersonal and collaborative skills
- Full vaccination against COVID-19

Inpatient service coverage comprises 1 week blocks with weekday coverage (Mon-Thurs) from 7am to 5pm and 24/7 coverage from Friday to Sunday. Call requirements for off-service weeks are 1-2 weeknights/week. Remuneration is fee-for-service billings and HOCC funding for evening/weekend call. Additional income opportunities are also available such as ECG/Holter and PFT interpretation, cardiac stress tests, and outpatient clinics (i.e., pre-op and urgent medicine clinics).
