

Plastics and Reconstruction Surgeon - Locum Opportunity Middlesex Hospital Alliance (MHA)

May–October 2026

The MHA is seeking a qualified Plastic and Reconstructive Surgeon to provide locum coverage at Strathroy Middlesex General Hospital starting May 2026 for a duration of 5 months.

This is a community based general plastic surgery practice covering breast surgery (reconstructive and elective), hand surgery, complex wound care and skin cancer management. Participation in the established call schedule is expected.

Applicants must be eligible for independent licensure with the College of Physicians and Surgeons of Ontario and hold Royal College certification in Plastic and Reconstructive Surgery (or equivalent qualifications acceptable for licensure in Ontario). Hospital privileges at Strathroy Middlesex General Hospital will be required prior to the start of the locum term. Strong clinical judgment, professionalism, and the ability to integrate effectively into an existing surgical and multidisciplinary team are essential.

Remuneration is fee-for-service with additional on call stipend. Office infrastructure, administrative support, and established referral pathways will be available during the locum period. Further details regarding clinical volume, operating room access, and call expectations can be discussed with interested candidates.

Questions may be directed to Dr. Kathleen Nelligan at Kathleen.nelligan@mha.tvh.ca. Interested applicants are invited to submit a curriculum vitae and a brief statement of interest to medicalaffairs@mha.tvh.ca.
